COMMUNITY SPOTLIGHT

The Bridge Children's Advocacy Center is a nonprofit, child-focused program that provides a highly effective, one-stop approach to child abuse investigations. By bringing together law enforcement, child protection professionals, prosecutors, and mental health providers, The Bridge ensures that children and their families receive coordinated, compassionate care.

For over a decade, The Bridge has helped families navigate incredibly difficult situations, offering critical services and counseling referrals that support healing and long-term recovery. This commitment to care extends beyond immediate intervention. Through its longstanding partnership with Access, The Bridge also helps bring comfort and joy to families in need across the Texas Panhandle during the holiday season, ensuring gifts are thoughtfully prepared and delivered to children at just the right time.

Through both its core services and community partnerships, The Bridge continues to be a strong advocate for child victims, guiding them on their path toward healing.
