## 24 Hours in the Canyon

Over the past 10+ years, we have been proud to sponsor 24 Hours in the Canyon; the only simultaneous 24-hour road and mountain bike event in the country. This year Access CCU teamed up with 575 Pizzeria to raise \$11,350. 575 contributed via their Pizza with a Purpose event wherein they donated 20% of their sales from a busy Saturday to the cause. Access CCU then matched their contribution for another successful year!

100% of funds raised going to fund the 24 Hours in the Canyon Cancer Survivorship Center. This event brings riders from across the country to Canyon; some come to test themselves on the 100-mile course, others come to celebrate their victory over cancer, and others still come to commemorate their loved ones who fought cancer but are no longer with us. If you haven't been to 24 Hours in the Canyon before, put it on your calendar for next June and we will see you there.

## A.J. Perez Memorial Scholarship

This April we were pleased to support three local students in their educational journey with \$1500 each from the A.J. Perez Memorial Scholarship. Each year Access CCU accepts applications from qualified students who have been accepted into an accredited college, university, or trade school. This year awards were given to two students on their way to Texas Tech, and one student on their way to Amarillo College. If you know high school or college students with a minimum GPA of 3.0 who are planning to attend college or trade school next fall visit our website to download the scholarship application.

# ACCESS ALL STAR

## Clara Harland

From left: Meghan S., Clara H., Ariel G.

Over the last several months Access CCU has worked hard to get back to the fundamentals of delivering quality experience to you, our member. One of the main ingredients of that recipe is having a great team that is focused on taking care of your needs. One of those team members is Clara Harland. Clara can be heard greeting members the second they walk through the door. No one has entered or left this building without a friendly exchange while she has been here. She has helped prevent fraud on member accounts, she has jumped behind the teller line to get members in and out quickly, she has even worked Saturdays to make sure our members get taken care of quickly. She is always smiling and is always eager to help. Her teammates describe her as a tremendous asset with an impressive attention to detail. We couldn't agree more and that's why Clara is An Access All Star. Congratulations Clara.
