### Summer Newsletter

### 24 Hours in the Canyon

For more than a decade, Access has proudly supported 24 Hours in the Canyon, the nation's only event that combines 24-hour road and mountain bike racing. This year, we were honored to participate in Match O De Mayo, matching community donations up to a total of \$5,000.

Each year, this inspiring event brings riders from across the country to Canyon. Some challenge themselves on the 100-mile course, some ride in celebration of their victory over cancer, and others participate in honor and remembrance of loved ones lost to the disease. The stories, strength, and sense of community make 24 Hours in the Canyon a truly special experience. If you've never attended, be sure to mark your calendar for next June!

### AJ Perez Scholarship

Each April Access selects three local students to support in their educational journey with \$1500 each from the A.J. Perez Memorial Scholarship. This year awards were given to Jaden Travis (Amarillo College), Lincoln Buchanan (Sam Houston), and Cal Aikman (Texas Tech). We are always proud to support higher education. If you know high school or college students with a minimum GPA of 3.0 who are planning to attend college or trade school next fall visit our website to download the scholarship application.
