ACCESS ALL STAR Gentrie Thompson

They say, "Good Help is hard to find." We disagree. All you have to do is walk through one of the doors to your credit union and make eye contact. At our main location one of the people you can bet on seeing is Gentrie Thompson. Gentrie Started as a part-time teller, worked hard and became the Teller Supervisor; One of the toughest jobs in the credit union. Gentrie then took over the marketing duties and became the Marketing Coordinator. Even now you can find her helping behind the teller line, answering questions, directing traffic in the lobby, serving on multiple committees and boards, and representing Access in the local community. Gentrie is old school. She works hard; she makes sure tasks get done on time and she does them correctly. We are blessed to have someone who is as dedicated to our members and team as she is. Gentrie is a servant for others and this is why she is an Access All Star. We are so grateful for you, Gentrie, congratulations!

SIX PACK OUTDOORS

We're proud to shine a light on Six Pack Outdoors, a nonprofit dedicated to making the outdoors accessible to everyone. Through thoughtful trail building, responsible stewardship, and meaningful partnerships with local organizations, Six Pack Outdoors works to remove barriers and create welcoming, well maintained trails for people and communities who have historically had fewer opportunities to enjoy the outdoors. Their commitment goes beyond building trails. They actively evaluate their projects and partnerships to ensure they are creating lasting, positive impact. Because the outdoors belongs to everyone, and when more people have the opportunity to experience it, our communities and the wild places we all cherish are stronger for it. Trails for all. No exceptions.
